

ENTORNO' 09

A two day event- ENTORNO' 09 was organized by post graduate students of Arts Science and Commerce and SIES Indian Institute of Environment Management on 12th and 13th Feb 09. The name ENTORNO means environment in Spanish. The event focused on '*Environmental awareness and application of environment biotechnology*'. The event was inaugurated by Mr. J N Sinnarkar, Deputy Municipal Commissioner NMMC.

Seminars were related to recent environmental problems and their remedial measures. The experts who delivered lectures during the event sessions were eminent personalities from the field of environment and biotechnology. The students of environmental science and biotechnology also organized an exhibition DREAM GREEN to spread awareness about environmental issues. In addition to the technical sessions it was our endeavor to promote delegate participation through student centered events like Thinkqusive, JAM, PowerPoint and Poster presentation competitions.

The event was sponsored by BASF, MPCB, CIDCO, ICPE, ONGC, Himedia, Surmount Energies, Pratap Organics, Enthof Solutions, Bijay Lab Aids, S.S. Mhatre Constructions, Magadh Construction Co, Monex Stationeries, R S publications, Indulge, Juice salon, Satish Hospitality Services and the event was supported by Sanskar India Foundation, Indian Council for Plastics in Environment.

Total 49 students, 4 faculties from different colleges attended the event. Other than the external participants, all the students and faculties of SIES-IIEM were present for the event.
