

Group Discussion

The Group Discussion held on 1st October 2009 had five different topics including **A: Should India invest more money on sports, B: India or western countries which is the land of opportunities, C: Money is the sixth sense without which one cannot enjoy the other five, D: Should youth indulge into politics and E: Hard working or smart working.** All the teams had done justice to their topics and they came up with brilliant points. Since the topics were more general rather than being inclined to a specific field, everyone including the teachers as well as the students participated enthusiastically in the discussions. The Pawan team comprising of Prabha, Neha, Lallan and Ashonal was declared as the winner of the Group Discussion session for their presentation, body language, thinking capability and convincing abilities. The session was very well co-ordinated by the student co-ordinators (Joel. Joy, Shailesh Mishra, Mrudul Karekar, Manali and Mahalaxmi Krishnan) under the guidance of Mrs. Pooja Desai.
